

At the time of this writing, as we approach two years since the October 7 attacks, 48 innocent people remain in Hamas captivity. Parents are separated from their children, sisters are separated from their brothers, wives are separated from their husbands.

In response to this tragic reality, we stand firm in our support of both Israel and the Jewish people. One way we can support those grieving is by sending letters expressing our commitment to and prayer for freedom and peace throughout Israel.

Below is an example of a letter we can send to families who have loved ones being held hostage by Hamas.

***Dear Lone Soldier,***

As a Christian supporter of Israel and the Jewish people, I want to let you know that we are standing with you and are praying for your efforts to protect Israel. We believe the Psalm that declares God guards Israel and He never slumbers. We pray that God will protect you and defend Israel. I pray God renews your strength. I hope you feel loved, supported, and cared about.

Sincerely,
