HOSTAGE NEGOTIATIONS AND RETURN

Following his inauguration in January 2025, **President Donald Trump and his administration prioritized the return of the remaining hostages.**

Over the course of 2025 and into early 2026, agreements and recovery efforts led to the return of living hostages and the remains of those who had died. **On January 26, 2026, Israel announced that all living and deceased hostages had been returned from Gaza to Israel, bringing an end to more than two years of uncertainty for many families.**

"OCT. 7 IS A DAY THAT WILL FOREVER LIVE IN INFAMY."

BENJAMIN NETANYAHU, PRIME MINISTER OF ISRAEL.
